

FOUNDERS' FUNDRAISING DINNER

A LEGACY OF LIFE

Build the First Mile of Africa's Newest Cancer Centre

Otumfuo Osei Tutu II Comprehensive Cancer Centre of Excellence (CCCoE)
Martin's Crosswinds, Greenbelt, Maryland • September 4, 2026

Phase 1 goal

17,944

Lives lost / yr

Phase 1 is a defined, \$10 million package of clinical, diagnostic, and operational spaces — the finite, itemized list of rooms and systems required for the Centre to treat its first patient. Every gift maps to a specific line on that list.

WHAT \$10 MILLION BUILDS

- Clinical & Treatment Spaces — radiotherapy, chemotherapy, surgery, brachytherapy
- Diagnostic & Support Services — CT simulator, pharmacy, laboratory, stores
- Wards & Patient Care — admission, recovery, nursing spaces
- Administration & Operations — offices, records, technical systems

“Without Phase 1, nothing else follows. Your gift ends the delay.”

Surgical theatres, brachytherapy rooms, pharmacy, laboratory, records office, examination rooms, and more — every space required to open, from \$20,700 to \$138,000. Ask your table host for the complete list.

YOUR GIFT, NAMED AND VISIBLE

Fund a space in full and it is named in your honor with permanent signage. Contribute toward a space and join the Founders' Wall at the Centre's entrance. Every gift, of every size, is acknowledged in the CCCoE's permanent donor record.

THE ASK

Choose a line from the giving menu — a room, a suite, a system — and make it real. Pledge cards are on your table tonight.
